MEMORANDUM FOR: General Paul X. Kelley, USMC
Commandant of the Marine Corps

SUBJECT: The President's Report on US and Soviet
Forces [redacted]

25X1

Thank you for your interest in the President's Report. Planning for the October 1984 issue is under way, and it should be possible to accommodate the concerns mentioned in your memorandum of 31 January within the established design of the Report. The Director, Net Assessment, OSD, is inviting you to designate an action officer to meet with his representative and those of CIA's Office of Soviet Analysis, who are jointly responsible for producing the Report. [redacted]

NOTE FOR: D/SOVA

25X1

May we have a quick turnaround response to this request from General Kelley. This should be in the form of a memorandum for the Acting DCI's signature, along with a transmittal note from Bob explaining the package. A deadline of 10 February has been placed on this action.

Thanks,

25X1

(Suspense changed to 17 February at the request of OSD/Net Assessment. OSD wants to take the lead in responding to General Kelley.)
